Applicants sought for Multi-Family Rental Property Manager for City's Building Standards Board

SAN ANTONIO (May 8, 2014) – Residents active in maintaining properties, managing building maintenance projects, and ensuring rental properties are occupied are invited to apply for the Multi-Family Rental Property Manager Position needed for the City's Building Standards Board. Applications are available at www.sanantonio.gov/clerk/boards by selecting "Apply for Boards and Commissions." The position will remain open until filled.

In May 2011, the San Antonio City Council approved a new ordinance to strengthen, update and clarify minimum property maintenance requirements for property owners and tenants. This included a reconstitution of the City-staffed Dangerous Structures Determination Board (DSDB) into the 14-member, citizen-based Building Standards Board appointed by the City Council. The Building Standards Board hears and rules on appeals and violations of the San Antonio Property Maintenance Code and summary abatement appeals. The Building Standards Board also rules on cases related to the repair or demolition of unsafe structures.

For more information, visit <http://www.sanantonio.gov/Ces/Pdf/nbs2011.pdf> or call 210-207-8219.

A Model City for all America: San Antonio

San Antonio is a model city for the new face of America—a diverse, progressive and globally competitive city with a solid vision for national and international economic development. In 2012, San Antonio was named an All-America City by the National Civic League. The City of San Antonio maintains a strong financial position with a “AAA” general obligation bond rating from all three major rating agencies. The Milken Institute has ranked San Antonio No. 1 on its Best-Performing Cities list. As the seventh-largest city in the United States, San Antonio is experiencing solid economic growth in 21st century industries such as bioscience and healthcare. Biotech companies and healthcare systems in San Antonio contribute billions to the local economy. The Aerospace industry remains a dominant economic strength in San Antonio with the presence of several aviation and aerospace corporations, including the military. The military has had a significant relationship with San Antonio for more than 200 years and is home to several military commands. The city is also a cybersecurity hub; nationally recognized as a leader in the field of information security. San Antonio is positioning itself to be at the forefront of the New Energy Economy in the United States, committed to investing and creating employment opportunities in green industries. The travel industry also remains a consistent growing economy for the city, as millions of people visit San Antonio on a yearly basis. For more information, visit www.sanantonio.gov.
